ABOUT GTRIIP

GTRIIP provides commercial properties with a quick and secure **tenant management** and **visitor management** solution, which leverages on facial recognition technology to authenticate end users' identity and provide authorized access to commercial properties.

GTRIIP also works with major partners to provide an end to end solution for our clients.

SALTO

GTRIIP CUSTOMERS

COMMERCIAL PROPERTIES

HOTELS

An overhead, top-down view of three people in an office setting. A man in a light blue shirt is leaning over a wooden table, looking at a laptop. Two other people, a woman with dark curly hair and a man in a white shirt, are seated at the table, also looking at laptops. The table is cluttered with papers, pens, and mobile phones. The background is a light-colored wall.

GTRIIP FOR OFFICES

A man in a dark blue sweater and jeans is shown in profile, holding a smartphone and interacting with a door lock. The background is a blurred office interior with warm lighting. The image is framed by a large, light-colored, rounded shape.
